TO WHOMSOEVER IT MAY CONCERN

This is to Certify that for purpose of trial we obtained [redacted] nos. of [redacted] special cathode-anode gaskets from Phoenix Engineers, (Mumbai) in year 2003. These gaskets were put in position on 14-09-2003 in one of the electrolyzers and we are happy to know that so far they have not given any problem and we have not faced any difficulty by using these gaskets. In electrolyser we are manufacturing caustic soda and chlorine gas by electrolysis of brine solution.
