13.01.2003

To Whom It May Concern .

This is to certify that we have used the 6962 Special EPDM Gaskets supplied by M/s Phoenix Engineers in following locations for following plants:

<u>Client's Name</u>	<u>Plant Location</u>	<u>Used Area</u>
1. Kothari Petrochemicals	Madras	Catholyte/Anolyte Service
2. Punjab Alkalies & Chemicals	Nangal	Catholyte/Anolyte Service
3. Gujarat Alkalies & Chemicals	Dahej	Catholyte/Anolyte Service

It is more than 6 months since these gaskets have been installed as is proven from testimonials furnished by the client and we do not find any problem in these gaskets.
